

## Hotel VESNA

When our path leads us astray from the main roads into the heart of nature, we are greeted by an infinite assortment of primal experiences. **The forest smell** filling the lungs. The freedom emanating from the sun. **The power of thermal waters**, bursting from the bowels of the earth.

The feelings that convince us that **"To enjoy"** are not just words. Indulge in the harmony of pleasures and wellness experiences. Let yourself be spoiled by warm touch of thousands of nature's wisdoms.

**Welcome to the temple of relaxation and health of Topolšica Spa.**

## Wellness centre ZALA

Acquaint yourself with a new dimension of relaxation. Wellness centre Zala is a modern temple of peace, health, and unforgettable experiences. Indulge in the embrace of warmth, relaxing colours, and invigorating natural aromas and enjoy yourself in **saunas, massage or cosmetic rooms, or training in a first-class fitness.**

For the most intimate moments there are **private relaxation areas** that will take you through **ancient Rome, mysterious Orient, or Japanese minimalism.** After hours of enjoyment also treat yourself to culinary experiences in a **pleasant restaurant with magnificent view.**
